

# CRISS CROSS POKER

## RULES OF THE GAME

- The game is played with a single 52-card deck.
- Player makes two ante wagers of equal value. “Ante Across” bet and “Ante Down” bet. The player may also place an optional 5 card Bonus Bet.
- Dealer then deals five community cards face down in such a way that they form a cross.
- Each player then receives two cards face down. Players may examine their own cards.
- Player may fold and forfeit their ante bets or make an “Across Bet” of 1x to 3x the “Ante Across” bet.
- Dealer turns over two outside cards on the horizontal line of the cross.
- Player may fold and forfeit all previous wagers or make a “Down Bet” of 1x to 3x the “Ante Down” bet.
- Dealer turns over two outside cards on the vertical line of the cross.
- Player may fold or make a “Middle Bet” of 1x to 3x one of the original ante bets.
- Dealer then turns over the middle card.
- The player then uses their two cards plus the three community cards on the horizontal line of the cross to form an “Across” hand and uses their two cards plus the three community cards on the vertical line of the cross to form a “Down” hand.
- Winning “Across” and “Down” bets are paid according to payable listed. The “Middle” bet is paid if either the Across or Down hand qualify as a win and is paid at the odds of the highest ranking hand.
- The two ante bets are paid even money on a pair of Jacks or better and push on a pair of 6’s through 10’s.
- The 5 Card Bonus is based on the five community cards making the best 5 card poker hand and paid according to the payable listed.
