

DRAGON BONUS MINI/MIDI BACCARAT

There are three ways to bet in Mini-Baccarat: the bank, the player and/or the tie. If the hands end in a tie, there is no action on the bank's or player's hand. All tie bets are paid 8 to 1. Each hand is dealt two cards. The total of the two cards determines whether a third card is drawn. The third card drawn to the player determines whether the bank draws a card on 3, 4, 5 and 6. If the first two cards given to the banker are 7 and the player's hand totals 6 or 7, or if the banker or player has a natural 8 or 9, no third card will be drawn. Tens and face cards have no value. Total the cards together and go by the last digit.

Example:

$$7 + 8 = 15$$

$$K + 5 + 6 = 11$$

On the first hand, the hand value is 5. On the second hand, the hand value is 1. Hand value closest to 9 wins. All winning bets on the player's side are paid even money. Winning bank bets are charged 5% commission.

THIRD CARD RULES

When the "Point Count" for either the "Banker Hand" or the "Player Hand" after the initial two cards is eight (8) or (9), it is a "Natural" hand and neither the Banker nor the Player may draw a third card.

PLAYER RULES:

Point Count 0 thru 5 - Player must draw

Point Count 6 or 7 - Player hand must stand

Point Count 8 or 9 - Natural, both Player and Banker must stand

BANKER RULES:

If the Player's hand does not receive a third card, the Banker's hand shall be dealt a third card if the Point Count of the Banker's Hand is 5 or less.

If the Player's Hand is dealt a third card;

Point Count 0 thru 2 - Banker must draw

Point Count 3 - Banker must draw, unless Player's third card is an 8

Point Count 4 - Banker must draw only when the Player's third card is a 2 thru 7

Point Count 5 - Banker must draw only if the Player's third card is a 4 thru 7

Point Count 6 - Banker must draw only if the Player's third card is a 6 or 7

Point Count 7 thru 9 - Banker will always stand

DRAGON BONUS MINI/MIDI BACCARAT

MIDI-BACCARAT RULES:

Should the table be designated as Midi-Baccarat, players will have the ability to touch, handle or alter cards given the following conditions:

The player with the most money bet on the player wager will get the player's cards with the following exceptions:

A player may elect to cede control of the cards. If so, the patron with the next most money that best on "player" shall have the option to control the cards. If all players cede their rights to player's hand, the dealer will expose the cards.

If no guests have a bet on the "players" bet, the dealer will expose the cards.

The player with the most money bet on the banker wager will get the Bankers cards with the following exceptions:

A player may elect to cede control of the cards. If so, the patron with the next most money that best on "banker" shall have the option to control the cards. If all players cede their rights to banker's hand, the dealer will expose the cards.

If no guests have a bet on the "banker" bet, the dealer will expose the cards.

DRAGON BONUS WAGER

- The Dragon Bonus wager is optional.
- Players may actually bet on the Dragon Bonus wager for both the "Player" or "Banker" per hand.
- Players have two ways of winning the Dragon Bonus wager:
 - a. If their selected hand is a natural winner or
 - b. A non-natural hand wins by four or more points.
- The payoff schedule shall be posted at each game or imprinted on the Dragon Bonus layout.
