

FACE UP PAI GOW POKER

Face Up Pai Gow Poker features head-to-head play against the dealer and offers the optional Fortune Bonus and Ace-High. As in standard Pai Gow, each player and dealer receive seven-cards, but in Face Up Pai Gow Poker the dealer's cards are dealt face-up.

Face Up Pai Gow Poker is a commission-free game. You do not pay a 5% commission when you beat the dealer; however, when the dealer plays Ace-High, you automatically push.

GETTING STARTED

To begin each round, make a standard Pai Gow wager. You may also make the Fortune Bonus and Ace-High.

FORTUNE BONUS

The Fortune Bonus bet wins if your best possible five-card hand is three-of-a-kind or better. If you wager at least \$5 on the Fortune Bonus, the dealer will place an "envy" button next to your bet. This qualifies you for an envy bonus payout. See payable for odds.

ENVY BONUS

The dealer will pay all envy bonuses at the end of the round. If at least one player receives a hand that qualifies for Envy Bonus payouts, all players with envy buttons win. You can win multiple Envy Bonuses in a round, but you CANNOT win an Envy Bonus for your own hand or the dealer's hand.

ACE HIGH

This bet wins if the dealer is forced to play an Ace-High Pai Gow. See layout for odds.
